presenting

Arthur Trace *The Artful Deceiver*

"one of the most creative acts in the world of magic today,"

- R.G. Smith, Executive Show Director of The Society of American Magicians

Arthur Trace is only the eighth magician in the history of magic to be awarded The International Brotherhood of Magicians Gold Medal. In 2006 he became a FISM award winner at the World Championships of Magic, and in 2007 Arthur was awarded the Best Cabaret Magic award at The World Magic Awards. In 2015, 2016, and 2018 the Academy of Magical Arts nominated Arthur as Stage Magician of The Year, and in 2018 and 2019 the same organization nominated him as Parlour Magician of The Year.

Grab your favorite beverage, sit in your most comfortable chair, and get ready to join your host Arthur Trace in an interactive close-up magic experience performed live, virtually and privately via Zoom.

However, don't get too cozy because unlike most shows you merely watch this one actually involves you.

In some of Arthur's routines, the magic will actually happen in your hands.

If you would like to take part, have a deck of playing cards handy when you join the show.
